

An all-day Certified Floodplain Manager (CFM) training course, The National Flood Insurance Program: An Overview, will be held on Wednesday, June 24, 2009, from 9:00am to 5:00pm, in Dryden, Tompkins County, NY.

This course is a good refresher course even for current CFMs, who can claim six pre-approved Continuing Education Credits from the Association of State Floodplain Managers (ASFPM) for attendance. Credits for Code Officials will also be provided.

Please note that lunch will not be provided. There are lunch possibilities in the area, or bring your own.

CFM EXAM TO BE HELD ON THURSDAY. SEPARATE SIGN UP!!

The National Certified Floodplain Manager Exam to be held on Thursday June 25th at 9:00am at the same location. This exam is sponsored by the New York Floodplain and Stormwater Managers Association, and PBS&J. Contact Jen Marcy at jkmarcy@pbsj.com or 716-805-8910 for information about the exam. Register for the exam at www.floods.org. Click on the certification menu to apply for the exam.

For attendees who are not yet CFMs and wish to take the exam, this is a great refresher course but will not take the place of intensive study. Prior to this training, we recommend that you read the FEMA 480 Manual, available for download at http://www.floods.org/Certification/FEMA_480.asp. This manual is lengthy - so please give yourself some time to prepare!

The training and exam will both be held at the Neptune Fire Department, 26 North St, Dryden, NY 13053 . Training on Wednesday, exam on Thursday.

Please note that signing up for this Wednesday training course does not register you for the CFM Exam on Thursday, and signing up for the exam does not register you for the course.

To sign up for the exam, you must register through ASFPM. Go to www.floods.org and click on "Certification" for more information about the exam and to obtain applicable forms and fee schedules. **ASFPM requires that you register and submit payment at least two weeks in advance of any CFM exam.**

For more information about the course, please see the attached brochure. The course cost is as noted on the attached announcement, payable to STBOA. In order to provide an appropriate supply of workbooks, you must register by Friday, June 5th.

Thanks, and we hope to see you in June!
